Recalling the dream that was and should be...

Our National Anthem

1. Oh Uganda! May God uphold thee,
We lay our future in thy hand.
United, free,
For liberty
Together we'll always stand.

2. Oh Uganda! The land of freedom.
Our love and labour we give,
And with neighbours all
At our country's call
In peace and friendship we'll live.

3. Oh Uganda! The land that feeds us
By sun and fertile soil grown.
For our own dear land,
We'll always stand:
The Pearl of Africa's Crown.
